

WE NEED YOUR HELP !

Hello and thank you for taking the time to read this flyer. Chaos Fastpitch softball recently obtained a facility that we will be able to train our athletes in hitting, pitching, fielding, and Sports Vision Training. In order to properly and safely outfit this facility we will need to raise a large sum of money ASAP, Immediately, we need to purchase 4,000 sq/ft of turf along with custom netting and batting cages, which is estimated to cost \$63,000 alone and is only the first of a long list of expenses. The total estimated cost to properly outfit the facility is over \$100,000. Our goal is to raise at least ½ of this estimated total through private donations. You may be a fan of Chaos, yourself or your daughter may have played for Chaos (and possibly obtained money to play softball in college due in part to training received through Chaos), or maybe you just love the game of fastpitch softball and respect what we do here at Chaos to help young ladies fulfill their dreams of playing softball at an elite level. Whatever your connection to Chaos or reason for potentially donating to our fundraising campaign is, we greatly appreciate your consideration! Any amount manageable for you would help us get one step closer to appropriately equipping this facility and will not go unnoticed. Please note, that anyone donating \$1,000 or more, your name or your business name will be placed on our Donor Wall displayed in the facility where it will remain permanently. Chaos Fastpitch is a 501c3 non-profit and you will receive a tax receipt with all donations. Thank you for your continued support! Joe Spina
