

## 10—Maddie Penta, P, PA Chaos (Auburn)

Maddie is a right-handed pitcher who touched 68 mph on the radar gun and complements her heat with an excellent rise, curve, screw and change. She's tall and intimidating at 6-foot and was having an outstanding summer until an arm injury curtailed her summer, but she will be back and on track to win her third consecutive Maryland state championship as she led Bohemia Manor (Chesapeake City, Maryland) High to the 1A title by leading the Eagles to a 23-0 record as she struck out 243 in 119 innings. Maddie has given up just one earned run in her first two varsity seasons combined and her high school ERA is a miniscule 0.04. She was the State Pitcher of the Year in 2017 and the Maryland State Player of the Year this season. For more on the Auburn commit, click [HERE](#).
