

## **T-39—Morgan Mesaros, MIF, PA Chaos (James Madison)**

Morgan is a tough-nosed player who, as Derek Allister of OnDeck Softball puts it, “Isn’t afraid to get down and dirty and compete like crazy.” She has played for the PA Chaos 18U Gold team for the last two seasons and has played at a high level in major events like Boulder IDT since the 7th grade when she played defense behind current Oregon pitcher Maggie Ballint.. The Garnet Valley (Glen Mills, Pennsylvania) High sophomore is an explosive player who can go on a hot streak and single-handedly take over not just a game, but an entire tournament. She was heavily recruited by SEC, ACC and Big Ten programs before committing to James Madison in the spring of 2017.
