**PA Chaos
Gold**

Joe Spina's Gold team went 45-19 last year and finished fifth at TC/USA Nationals, where it beat the eventual PGF 18U National champion Firecrackers-Rico team. But that was with two top 10 2016 Hot 100 players in P Maggie Balint, now at Oregon, and OF Hannah Edwards, now at Pitt. Still, the team looks solid and beat two current FAB 50 18U teams at Team NJ last weekend. Players to watch include 2020 phenom pitcher Maddie Penta, who is getting recruited by many top-20 DI programs, and 2017 P/1B Victoria Galvan, who will play at South Carolina. Others expected to play big for the Chaos are seniors Reyna DeJesus (an outfielder signing with Delaware) and Devyn Losco (a catcher going to Hofstra).
